PROJECTS

Portfolio Website

Personal portfolio showcasing academic background, skills, and learning journey.
[GitHub](#)

Statistics Coursework Project

Statistics-related coursework and practice exercises completed as part of course at IIT Madras.
[GitHub](#)

EXTRACURRICULAR

Active learner in data science and AI fundamentals.
Exploring how labeled data is used in machine learning models.

CERTIFICATIONS

Coursework as part of Bachelor's of Science in DS (with AI and ML) (IIT Madras)

MEENAL SINGH

Data Science Student

PROFILE SUMMARY

Data Science undergraduate with a strong interest in data annotation, data quality, and AI training workflows. Detail-oriented and patient learner with an understanding of how labeled data supports machine learning models. Actively seeking data annotation opportunities while continuing academic training in data science.

EDUCATION

- **Bachelors of Science in DS with Specialization in AI and ML (Ongoing)** – IIT Madras (2029)
- **Class XII (PCM)** – Maharishi Vidya Mandir, Basti, Uttar Pradesh (2023)
- **Class X** – Maharishi Vidya Mandir, Basti, Uttar Pradesh (2021)

SKILLS

Data and AI Fundamentals

- Understanding of data labeling and annotation concepts
- Text, image, and basic data classification awareness
- Attention to detail and consistency in data tasks

Technical (Learning Level)

- Python (Basics)
- Data handling concepts
- Spreadsheet tools (Excel / Google Sheets – Basics)

Soft Skills

- Accuracy and patience
- Time management
- Ability to follow detailed guidelines
- Willingness to learn and adapt

DATA ANNOTATION EXPERIENCE

Fresher – Ready for entry-level data annotation work

- Familiar with annotation guidelines and quality checks
- Comfortable with repetitive, detail-focused tasks
- Able to meet deadlines while maintaining accuracy
